

Introducing the Award Winning Petwood Caravan Park!

Petwood
CARAVAN PARK

The directors of The Southern Voice were so impressed with Petwood Caravan Park and their commitment to providing such an excellent service to the Holiday Accommodation Sector, they were left with no choice but to award Petwood Caravan Park our Official Award for Holiday

Accommodation of the Year 2013! Standing as an instantly recognisable seal of approval amongst our directors and readers alike, this award only further emphasises just how much Petwood Caravan Park is pulling away from other UK Holiday and Caravan Parks in such a competitive industry.

Petwood Caravan Park is set in the heart of the beautiful Lincolnshire village of Woodhall Spa. The village is just a five minute walk from the site and has a variety of excellent restaurants and shops.

The spacious, level pitches can accommodate all types of units and there are no hidden additional charges for putting up an awning or having a larger than average unit. There is no extra charge for bringing your beloved pets either!

There are two modern heated amenity blocks, each providing toilets, wash basins, spacious showers, washing up and laundry rooms as well as facilities for disabled guests. There is also a shop on site providing basic essentials.

Holidays or weekend breaks are for relaxing and enjoying yourself and with that in mind they can offer you a tranquil rural setting in harmony with nature, but with the added advantage of being within easy walking distance of a number of recreational activities.

Petwood Caravan Park adjoins a public park which has a heated outdoor swimming pool, children's playground and tennis courts. Discounted tickets are available from reception to help you with the cost of swimming during your holiday.

The tranquil setting offers many facilities, including 98 generous pitches for caravans, motorhomes and tents, 16 amp electric points available for each pitch, reception area and shop. Dogs are welcome, maximum of two per pitch, at no additional charge and there is a dog walking area on site.

Woodhall Spa is a beautiful inland resort with an Edwardian character, and is surrounded by pine and birch woodland. Regarded as one of Lincolnshire's most attractive villages, Woodhall Spa offers a peaceful and relaxing atmosphere, making it the perfect location for a short break or holiday.

Petwood Caravan Park is a 4 star rated touring park, open from late March through to early November making it ideal for family holidays during high season or for couples wanting to enjoy a relaxing break during low season.
